

What if...

children were safe...
you were homeless...
the world was your audience...
we remembered to give thanks...
you were hungry...
you could change your destiny...
health care was free...
teachers were paid as much as movie stars...
you won the lottery...
we could not see color...
you could predict the future...
we remembered to share...
education was free...
they found a cure...
we remembered to recycle...
the sun did not shine...
you had three wishes...
there was no tomorrow...
we could see how lucky we are...
everyone kept his/her promises...
you could make a difference...

You can make a difference.

The difference begins when you decide to join Circle K.

As a student-led organization that teaches leadership through service, Circle K International makes a difference. Make a difference, become a member of Circle K.

COMMITMENT TO SERVICE WORLDWIDE

THIS IS

CIRCLE K

Circle K International is the world's premier collegiate service organization. A member of the Kiwanis family, Circle K International boasts a membership of more than 11,000 members on more than 525 campuses around the globe.

Circle K International is comprised of college and university students who are responsible citizens and leaders with a lifelong commitment to community service worldwide. As a collegiate organization, Circle K International holds the promise of today's student becoming tomorrow's leader. It exists to meet the personal needs of the individual collegian through the qualities of leadership, the rewards of service, and the unique spirit of friendship. Leadership, service and fellowship; the embodiment of the three tenets of Circle K International are necessary to shape the future, realized in the colleges and universities of today.

Service

As a sponsored program of Kiwanis International, Circle K International shares the focus of serving the children of the world. In support of this effort, the Circle K International service initiative is Focusing on the Future: Children. This initiative encourages members to address the issues facing children ages 6-13 and to find solutions through service for addressing these issues.

Leadership

Through the mission and vision of the organization, Circle K International is dedicated to the realization of human potential. The potential of Circle K International lies in its ability to positively influence members of society who are facing ultimate

personal decisions and those who will one day create the vision of humanity for generations to come. Leadership opportunities afford Circle K members the resources and tools needed to become active citizens. Circle K'ers can assume leadership responsibilities at all levels of the organization and through various experiential training conferences.

Fellowship

With each element and aspect of Circle K International, members experience fellowship and develop lifelong relationships with fellow collegians, advisors, Kiwanians and citizens in their communities. Whether a Circle K'er is mentoring a child, networking with a businessman, or bowling with members, that Circle K'er is developing social skills, meeting new people and strengthening relationships.
