Hello Mighty I-I District!

My name is Sabrena Lopez, I am a sophomore studying anthropology at the University of Illinois. At the 53rd annual District Convention I was elected to serve as your 2012-2013 district governor! By the end of this service year I hope to be able to work the District Board to grow this district and develop the members into dedicated individuals. I want to see more participation at the District level and develop a strong relationship between the District and Club. One way I want increase participation is by adding non-board members to committees to give suggestion and provide feedback directly from the members of our district.

Applications to serve as a committee member will be accepted on a rolling basis and can be found at http://tinyurl.com/iicommittee.

I hope to see everyone at Club Leadership Education on April 21st from 12:30pm-3pm. This event will train and enrich your officers and members for the upcoming year. This is a great opportunity to meet other members and learn more about Circle K International! Register for this free event at http://tinyurl.com/cleregistration.

I am really excited to kick this year off with a bang and work with the 2012-2013 District Board to ensure a successful year of growth and development for the members of the mighty I-I District!

Serving with a smile,
Sabrena

Immediate Past Governor Matt Roberts, Me, International Rep Daniel Tsang at District Convention! 😊
Greetings, I-I Circle K!

I am proud to present to all of you the first issue of hopefully many club newsletters, brought to you by your district board. With this first newsletter, the board would like to present to all of you a brief introduction.

As you know, my name is Kevin Huang. I am currently a junior at the University of Illinois at Urbana-Champaign. I am completing a double major in Chemistry and French, an odd combination, I know. My post graduation plans are currently in the works. If possible, I’d like to find a job in the chemical industry. Alternatives include Teach for America or Teaching English in France.

Other than Circle K, I am also actively involved in other on campus organizations, including Alpha Chi Sigma Professional Chemistry Fraternity, Pi Delta Phi National French Honor Society, and American Chemical Society – Student Affiliates.

If anyone needs to get in contact with me, they can reach me at either email address:

iidistrictreports@gmail.com
khuang26@illinois.edu

On a more official note, many of you may have seen blurbs or advertisements of the 2012 Club Leadership Education at Illinois State University. I would like to encourage all clubs to attend, whether you are an officer or a general member. This event provides valuable training for officers and allows general members to gain more knowledge about Circle K or even into the duties of an officer for those who plan on running next year.

The Secretary training will be especially helpful to club secretaries and will provide a breakdown of the Monthly Report Form, among other aspects.

As a quick reminder, the first Monthly Report Form (MRF) of the 2012-13 year is due on April 5th. To the new and old secretaries, please ensure that the report form is in on time and accurate to the best of your abilities. It’s important to start the year off well to set a precedent for the remainder of the year.

Any questions regarding the MRFs can be addressed to myself at iidistrictreports@gmail.com, your Lieutenant Governor, or any other district officer.

Yours in service,

Kevin Huang
2012-2013 I-I CKI District Secretary
Treasurer’s Tidbits

Hello Everyone!

My name is Ryan Balentyne and I am your 2012-2013 District Treasurer. I am writing to you today to introduce myself and let you know who I am. I am currently a junior at Northern Illinois University studying Accountancy and enjoying the college life. I enjoy participating in service because it is an entertaining activity and a worthwhile adventure to partake in. I have been in Circle K for 2 years now and I was also a member of Key Club International for 4 years and Builder’s Club for 3. I love being a member of this organization because it allows us to serve our communities and those around us.

What I would like to do this year and be as helpful as possible with all the treasurers in the district. I would also like to meet all of the treasurers at some point and if not get to know all of them through Facebook or email. I would also like to be available to the clubs as a resource and a friend. I am looking forward to this year and I cannot wait to get started with this Circle K year!

Are you an officer???
Club Leadership Education is April 21st in Bloomington, IL at Illinois State University at 12 Noon. Here is the registration website: https://docs.google.com/spreadsheet/viewform?formkey=dGE2dU15SV94dTZ4SEhsbzN5aXBzU1E6MQ#gid=0
Come out and Join us for Education, Fellowship, and Service!

Recruit New Members: The Benefits of being a CKI

A new school year means the potential to recruit a lot of new members. However, how do you convince students to join CKI instead of another service club? It is important to differentiate CKI by promoting these benefits...

- **District Events**
  Each member is entitled to participate in events sponsored by the district. Check out the district’s website at iicirclek.org for upcoming events schedule.

- **Online Community**
  Circle K is organized on more than 500 college and university campuses around the world. Through this diverse network, many ideas and friendships may be exchanged.

- **Development as an Individual**
  Each member is presented with numerous opportunities to develop their professional and leadership abilities.

- **Scholarships**
  Through the support of Kiwanians in our district, a generous scholarship of $1,000 is made available to Circle K members. At both District Convention and International Convention, additional scholarships are presented to Circle K members who have demonstrated outstanding leadership, service, and scholarship.

- **Member Benefit Program**
  Each member of Circle K International is presented with a pin, a membership card with a specific membership number for the newly inducted Circle K member, and a membership handbook.

- **Networking**
  Every member of Circle K is linked together with our parent organization, Kiwanis. Kiwanians are knowledgeable, wise and friendly. Having a connection with just a few Kiwanians increases your network and helps you expand your horizons when entering the working world.
Hello Mighty I-I District,

My name is Morgan Sarver. I am currently a Junior at Northern Illinois University. I am an Elementary Education major. This is going to be my third year serving on the I-I District Board, my fourth year as a member of Circle K International, and my eighth year in the Kiwanis Family. First off, I would like to thank all of those who attended District Convention this year and I would also like to thank you for electing me to serve as your District Editor for the 2012-2013 year. I am excited to see everyone at this years district events and getting the chance to work with all of you. I am looking forward to a wonderful year of service, leadership and fellowship. I am looking forward to serving you as your 2012-2013 District Editor. If you ever have any question please do not hesitate to contact me.

Peace, Love & CKI
Morgan Sarver
