Hello Mighty I-I!

Summer has officially started and I know it will be a great one! I just returned from the Subregion F event a couple of weeks ago in New York City and I am looking forward to International Convention and Large Scale Service project! In our district we will be holding our annual Kiwanis Family Summer Social on July 14th! This summer is will be a District Large Scale Service Project to benefit the Dekalb location as well as a dance that will benefit the Eliminate Project! I am really excited about this event and I can’t wait to see you all there!

Although summer is a break for some please use this time to plan out the goals and ideas for your year as officers! Want to hold a larger event and invite the rest of the district? You can do it! Want to double your membership? You can do it! Want to raise $500 for Spastic Paralysis or the Eliminate project? You can do it! But it takes some planning! Use this summer to set up your year! Also use all of the resources available to you including fellow club officers, your district board, and the Circle K Websites! www.circlek.org and www.iicirclek.org

Welcome to another edition of Secretary’s Two Cents!

Secretaries:
As always, the most important duty of the secretaries for the district is to fill out Monthly Report Forms. June 5th is quickly approaching (four days, in fact) and that is when your May report form is due at the following website: tinyurl.com/clubreportform

An important note of filling out MRFs: I’ve noticed as I’ve been reviewing the MRFs that a few have been entering hours incorrectly. The total number of hours should be the number of members in attendance multiplied by the duration of the event.

EX: 4 members staying the entirety of a 3 hours event would be calculated as 4 members x 3 hours each = 12 hours total.

Please keep this in mind as you continue with your MRFs.

An important note for the coming season is that the summer is treated as one period of time. In the MRF, you’ll find “Summer 2012” as an option. This spans June, July and August. Please keep this in mind when this is filled out, once September 5th comes around.

Be safe, be well, eat fruit.

Yours in service,

Kevin Huang

2012-2013 I-I CKI District Secretary

Hello all!

I hope everyone finished his or her semesters well and hoping you are enjoying your summer! I just had a quick heads up as we head into the upcoming summer! As we do all of our summer activities we should be thinking ahead towards the next school year as Circle K members. During the summer we should be fundraising, serving and building wonderful relationships. I know I will be fundraising money for Eliminate and for Spastic Paralysis, our two big fundraising projects as a District and International. I have been working on bringing in money from the Kiwanis Clubs of our district through our Outreach Program. I am super excited to have a wonderful year with our district and will be able to see many of you this year at our district events!

Hello everyone!

This is Ryan Balentyne, your Onto to International Convention Chair! This year’s convention, if you do not already know, will be in New Orleans, LA. I have never been to NOLA, but I have heard it is a pretty amazing place to visit and experience. We will be staying at the Westin New Orleans Canal Place on Canal Street. In this hotel there is also a Mall with many high end Stores and restaurants.

There is a full schedule online at this website: http://www.circlek.org/Libraries/Publications_CKI_Magazine/CKI_Convention_Schedule_1.sflb.ashx

This schedule is tentative but it will give you a good idea as to how the convention will flow. If you have never been to an international Convention before then you are in for an extreme treat and will be blown away by the magnitude of Circle Kers across the world. Last year I traveled to Virginia Beach, VA to experience my first Circle K ICON and was intoxicated by the service our organization can accomplish when we are all together. If you are going to LSSP I will see you the first day of service, leadership and fellowship. If you can only make it to ICON, then I will save you a seat for the Opening session!

Can’t wait to see everyone down in NOLA for service in the Sun and the culmination of a wonderful Circle K Year!

If you would like to ask any questions feel free to contact myself at ryan.balentyne13@gmail.com or on my cell at (815) 757-6748.
