Hello Mighty I-I!

I have spent the past six weekends in the company of my Kiwanis Family within our district and beyond.

Keeping up with the Gov:
March 23rd – March 25th: I spent the weekend in Peoria for Key Club District Convention. I led the Key to College and CKI101 forums in an effort to educate the Key Club members and remind them there is life after Key Club...its called Circle K :-) Make sure to reach out to the Key Clubs in your area! Show them how awesome CKI is.
March 30th - April 1st: I spent the weekend in Peoria at Kiwanis Midyear Conference. The conference is a great way for Kiwanis to reenergize and get excited about the remainder of the year.
April 12th-April 15th: I spent the weekend in Indianapolis with the 2012-2013 Governor class at Governor & Admin Training Conference. I learned not only from the material but from the other governors as well.
April 20th-21st: The 2012-2013 District Board got together for District Officer Training (DOT) in Bloomington. At DOT the board spent the weekend learning the ins and outs of their positions, developing goals for the year, and ultimately building the framework for the year. Check out the goals on the next page!
April 27th-April 29th: I spent the weekend with the Wisconsin Upper Michigan district to spread the Subregion C love at their Spring Fling event! It is great to meet other district members on a more personal level. I love the WUM district – they have such energy!

These weekends are great but I would like to be really involved in each one of the I-I clubs! A personal goal of mine is to visit each division as a whole once and each club once. Do you have an upcoming project or banquet? Request a visit from me I would love to visit! Requesting a visit is as easy as filling out this sheet.

Goals for the I-I District

Setting Our Sights

Although these goals were discussed and set by the members of the district board there is no way we can achieve any kind of success without the work and dedication of the Illinois-Eastern Iowa District Membership. We have set some high goals this year but that does not make them unattainable but rather something we can reach for! **Together the district membership can work to go above and beyond expectation.**

2012-2013 District Goals:
- Spastic Paralysis Donations: $8,000
- Service Hours: 25 per Member
- Fellowship & Leadership Hours: 15 per Member
- Kiwanis Donations Outreach: 66 Individual Donations
- Club Building: 2 New Clubs
- Reactivated Clubs: 2
- District Membership: 425 Active Members

Attendance Goals:
- Kiwanis Family District Large Scale Service Project: 40
- Leadership Training Retreat: 55
- Holiday Embrace (Dinner & Dance): 250
- Holiday Embrace (Dance Only): 30
- District Convention: 100
- International Convention: 15
- International Large Scale Service Project: 5

What club members can do to ensure success: Keep an open mind and a positive attitude, lead by example and participate!

What club officers can do to ensure success: Work with the district board to keep membership to date, inspire membership to serve as active members, provide opportunities for the members to go above and beyond, lead by example.

What the district board will do to ensure success: Serve as a resource to the district membership, provide guidance to club officers, lead by example.

Serving with a smile,
Sabrena

Illinois-Eastern Iowa District of Circle K International
Hello again, CKIers!

I hope all everyone has had a good and productive first month in his or her respective elected and appointed position.

Secretaries:
May 5th is quickly approaching. Please be sure to turn in your April Report Form. This documents all the events you’ve had over the course of the month, whether it is service projects, meetings or otherwise. The report form can be found online at the following link: tinyurl.com/clubreportform

To the right, you’ll find a table of all the clubs in the I-I District and what forms they’ve submitted so far. Even if the deadline has passed (e.g. March MRF), please submit it to the best of your abilities. Late is better than never!

Be safe, be well, eat fruit.

Yours in service,

Kevin Huang
2012-2013 I-I CKI District Secretary

Thank you for your submissions thus far and keep them coming! Remember, late is better than never. ☺
My name is Maci Mitchell, and I am the newly appointed Marketing and Technology Chair for the I-I District. I am a sophomore at North Central College in Naperville, Illinois, but I am originally from the town of Sterling and will probably never be fully used to suburbia. I am majoring in sociology with minors in global studies and history of ideas. I have been involved in Circle K since fall term of my freshman year and was my club’s secretary for the past year. In addition to being on the district board, I am also the new president of my club and am very excited for all the opportunities and challenges of the new service year. Outside of Circle K, I am involved in Focus, my college’s student-led worship group, have gone on and led service trips through North Central, and am a part of the Honors Program. I love service because I think that helping others is not only enjoyable but also that it is all of our responsibility as human beings to recognize ourselves as a family and respond to each other’s needs. I also think it is a fantastic way to meet new people and form awesome friendships with people who share my passion for serving others.

My goals as Marketing and Technology Chair for this year include making good quality publicity for all events, working with other committee chairs to promote the goings on of the district, keeping the district website and facebook page up to date, and encouraging clubs to create their own websites. In doing so, I hope to increase club participation at the district level and help clubs promote themselves by making information available to current and prospective members, hopefully fulfilling the goal of increasing membership.

Thank you to everyone who has supported me so far in my time in CKI, and I cannot wait to see what this year brings!
Hello Mighty I-I District!

My name is Ashley Wolfe. I am an English - Writing Emphasis and Neuroscience Major at Augustana College. I will be serving as your Kiwanis Family Relations Chair for this next year. There are lots of new ideas coming into play this year for our District such as a new I-I Kiwanis and Circle K career mentoring program.

Throughout the year there will be lots of opportunities through newsletters, webinar(s), social media, and events to learn more about what each individual branch of the Kiwanis Family has to offer.

If you have ideas about how you want to see the Kiwanis Family Relations grow, feel free to contact me any time (information below). Also, consider applying to be on the committee so you can have an opportunity to be directly involved with everything K-Family!

Yours in service,

Ashley

Ways to get involved with the other branches of the Kiwanis Family:

- **Service**: One of the main things that drive all of the K-Family is service to others. Get out into your community and help out!

- **Social**: Host a K-Family Dinner, enjoy the nice weather and host a picnic. Go bowling, challenge another club to a game of bowling to get to know them.

- **Informational**: Give a presentation at the meeting. It could be about what your club is doing, or it could be about something that is going in your community.

- **Individual**: Make connections, establish relationships, and network!
Hello all, my name is Yvonne Intsiful, and I am your 2012-2013 New Club Building and Membership chair. I am currently a junior at Bradley University in Peoria, IL. I am studying Sociology, and have minors in health and leadership studies. In my spare time I like to go for long walks outside when it’s warm and participate in long meaningful conversations. It’s been quite a journey since starting at Bradley back in the fall of 2009. Taking advantage of what college has had to offer has been very rewarding. I have really grown a lot as a person. Circle K has been one of the reasons for that growth. I have learned a lot from my participation in service projects and I have also met so many inspirational Circle Ker’s. My Circle K journey has included being the membership chair for my club, Vice-President of service, and I am currently the President at Bradley. With my role as New Club Building and Membership chair I am excited to get the chance to help grow our district membership by creating and reactivating Circle K clubs. I look forward to seeing more college students included in this wonderful experience that we are part of. With the membership aspect, I plan on spending my summer creating educational materials to better educate new members of the II district about Circle K and refresh our current members.
Dear Members of the Illinois-Eastern Iowa District of Circle K International,

My name is Daniel Tsang and I am your 2012-2013 District Events Chair. I just wanted to first start off by saying how much I look forward to continuing to work with you, your clubs, and our district.

For those who don’t know me, I am currently a junior at Loyola University of Chicago, which is located on the northside of the Chicagoland area. I am pursing a degree in biology with a minor in chemistry. I work as a research assistant at Children’s Memorial Hospital in the Allergy and Immunology Department. Until the end of June/early July, I continue serving as International Representative for Subregion C. Prior to being appointed to this position, I was also District Treasurer and Lt. Governor for the Illinois-Eastern Iowa as well as Key Club. I have also served as committee chair and committee member for a variety of different committees at the District and International levels. Being an individual who was born and raised in Chicago, I would classify myself as an urban individual. Nature and I sometimes don’t get along. I spend a lot of my time in front of a computer, so if you ever have any questions, concerns, or criticisms, please feel free to send it my way.

As District Events Chair, I plan on working with my committee in regards to achieving the goals established by the 2012-2013 Illinois-Eastern Iowa District Board. I hope to execute events with the district’s financial interest in mind. Please feel free to email me at dant1102@yahoo.com about anything; I would love to hear your input.

Hopefully we will see you at upcoming district events!
Sincerely,

Daniel Tsang
Subregion C Representative
Circle K International
Hello! My name is Allison Hade and I am your Holiday Embrace chair this year. I am very excited to take on this new role in CKI and make holiday embrace the best it has ever been! I am a sophomore at Rock Valley Community College with a major in Psychology. Our district goal this year is $8,000. What can your club do to help us reach our goal? If you need any assistance in planning a fundraiser for SPRF, Morgan and I are here to help you!

Hello!
My name is Morgan Sarver. I am a junior at Northern Illinois University. I am excited to serve as your Spastic Paralysis Research Foundation Advocacy & Education Chair. Some of my goals for this year are to raise $8,000 for the Spastic Paralysis Research Foundation and to come visit clubs to share about the foundation. Be on the lookout during the year at district events I am going to be having several fundraisers for the foundation. If you are interested in joining my committee please email me for more information or if you have any questions or if you would like me to come and visit your club.

2012-2013 District Editor & SPRFAE Chair
Greetings from CKISPE!

Hello I-I District!

My name is Nora Beswick, and I am the newly appointed Circle K International Service Partners and Eliminate Chair - shortened to the CKISPE Chair. (I pronounce it like “crispy” without the “R”). This is a brand new position this year, so I am very excited to take on this role and see where it can go!

Just to give you some more information about me, I am a junior (almost a senior, yikes!) at North Central College in Naperville. I am double majoring in French and Organizational Communication with a minor in Global Studies. Outside of CKI, I am very involved on campus. I am the co-president for Cercle Français (French Club) next year. I work in my school’s Office of Admission as a tour guide. I am also a member of Blue Key Honor Society, College Scholars Honors Program, Focus, Break Away, and the Cardinal Dance Company. I have been involved in the Kiwanis family for over eight years now, including Builder’s Club, Key Club, and CKI. Some things that make my heart happy are mix CDs, summer and sunshine, bacon, travel, languages, dancing, time spent talking with friends and service!

As CKISPE Chair, I have several goals for this coming year. First of all, I want to spread the word about our service partners. Please check out the links below to their home pages for general information, and stay tuned to future newsletters and the district website for more information!
