CKI Subregion Competition!
This month is rice month, in the spirit of rice month the 1st subregion competition will be a competition on freerice.com. Freerice.com is an education-based website where, for every correct answer you give to a question, 10 grains of rice will be donated to the UNICEF World Food Program. Free Rice has multiple subjects (math, literature, anatomy, flags of the world).

Our CKI Subregion Free Rice competition will start on SEPT 1, 2012 and will go to SEPTEMBER 30, 2012.

Signup and join the Sub C group here, SUB C: http://freerice.com/content-group/cki-subregion-c

Hello there, Mighty I-I Secretaries (& any others that may be reading this page)!

I’m sure that most of you, much like myself, have recently started classes or will start them soon. With the beginning of the academic years also comes the time for Circle K members to come out of their summer skins and jump back into service. As secretaries, one of your duties is to record your home club activities.

For those of you who are on the club secretary reflector, you should have received an email from me in regards to turning in your Summer MRF. Depending on what time of which day you see this, your Summer MRF is mostly likely due in around one day (Sept. 5th). As a reminder, this MRF should cover the months of June, July and August. Since most universities/colleges group these three months together to accommodate for the academic year, so does CKI’s MRF.

An additional piece of information that the I-I District is trying to gather is the club contact information. This mostly pertains to advisors and physical addresses and is an extremely short form. Please take the time to fill it out at: http://www.tinyurl.com/ckiclubinfo

It will honestly take you less than 5 minutes to fill out if you have the information. (Otherwise, a bit of scouting may be required.)

Hello Fellow Circle Kers!!!

I hope these first weeks are going smoothly as we transfer back into school and the student lifestyle again. We are at the start of a brand new Circle K year and I want to encourage you to get out and be full of service and leadership on your campus. With a new year we have to be thinking about International and District Dues. One of my goals this year is to have all of the Illinois Eastern Iowa District Circle K’s pay their dues on time. In order to have this happen I need to let all the treasurers know that the dues for International have changed slightly this year. Starting this year dues for International will be as follows:

- $600 for Schools with 5,000 or more undergrad and graduate students.
- $450 for 2 year institutions or less than 5,000 undergrad and graduate students

The 2012 House of Delegates at International Convention decided to increase from 1,000 students to 5,000 students as the cut off for the dues change. This change is designed to help all those school that were on the border for their student population.

Schools who International dues will be $450 for the future years are as follows:
- Augustana College
- Aurora University
- Illinois Wesleyan University
- Monmouth College
- North Central College
- Quincy University
- Southeastern College
- St. Ambrose College

All other schools not included will be required to pay $600 to International for their dues.

Now that we have International dues out of the way we can discuss District Dues. The I-I District requires each member to pay dues of $12 a year. For Example:

- Northern Illinois University has 26 members. They owe $600 to International and 26 X 12 = $312 to the District, so a total of $912 in dues for the entire year.

With this all said and an example given it is time for you to take the reigns and collect those dues from your members. How you do it is up to you. For eligibility for Early Bird Dues you need to turn in your dues to International and the District by October 31 and Dues on Time will be November 31. Please get out there and encourage your members to find a friend and bring them to Circle K. Dues are not that much and I know we can accomplish our goal of all clubs having submitted on time dues this year!

Mr. I-I is an all-male competition for Circle K members who attend the Illinois-Eastern Iowa Leadership Training Retreat. The competition consists of an introduction round, a talent round, and a question & answer round. A panel of judges, which are usually special guests, chooses the winner. There is an entrance fee of three dollars.

Here is how each round works:

- The **introduction round** will start off with each contestant dressed up in attire that matches the theme of Leadership Training Retreat. Considering this year’s Leadership Training Retreat is 80s theme, each candidate must select a 80s intro song and enter dressed in their 80s attire. After this round, the judges will eliminate half of the contestant.

- The **talent round** is for each contestant to illustrate their talent in front of the audience and judges. The talents can be anything, as long as it’s appropriate and doesn’t violate the Code of Conduct. After this round, the judges will conspire and pick a top three to move on to the question & answer round.

- The **question & answer round** will consist of fishbowl questions about Circle K and relates to the theme of the weekend. Each contestant gets two fishbowl questions and two questions from the audience. The contestant that is most posed after completing all three rounds will be deemed Mr. I-I.

Personalizing your approach to recruiting new Circle K members

There are so many different ways that a Circle K president or other leader of a Circle K club can recruit new members. It is important to not only enlist all executive board members in the process, but also your current membership.

Many colleges have several other service organizations on campus that compete for members. Think about the following when recruiting:

- What about Circle K made you join in the first place?
- What makes your Circle K club different than those other service organizations?
- Are there unique service projects that your club participates in that other clubs don’t? Make sure potential members are aware of them.
- Market the idea of the “K-family” to these potential members.

In a nutshell: Think of every aspect of Circle K international and your Circle K chapter that makes it different from other service organizations.

3 Effective Methods of New Member Recruitment

1. **Appearance at Activities/Club Fair:**
   This is a great way for potential members to meet current members of Circle K and learn more about it.

2. **High Energy Publicity Campaign:**
   This is not limited to attractive posters around campus, but also includes methods such as chalking, going door to door in the dorms, mailbox stuffers, current members wearing their Circle K shirts, and many more.

3. **Socials:**
   Host social events early in the school year. Most college students enjoy the opportunity to get to know other people at their school. Interaction of members and potential members during socials can strengthen the bond between everyone. Members that have friends and close acquaintances in the club are more likely to join and stay.
Hello!

NEW FUNDRAISER!!
Your Lt. Governor will be bringing around a special Spastic Paralysis canister. If your division raises the most money then at District Convention you will get to turn your Lt. Governor into an ice cream sundae. All of the money that you raise will be donated to the Spastic Paralysis Research Foundation.

Running out of ideas to raise money for Spastics? NO PROBLEM! Attend our webinar, September 15th @ 8pm to learn more on how to kick off your year right!

If you are interested in joining my committee please email me for more information or if you have any questions or if you would like me to come and visit your club.
