Hello I-I!
I hope everyone is enjoying this lovely sunny weather! Just because it is summer does not mean that service should stop. Many of you may be back in your hometowns, but I am sure you can reach out to your hometown Kiwanis club or local businesses to find volunteer opportunities. Summer is also a great time to plan for recruitment in the fall. If you need help coming up with recruitment ideas, please use your resources on the district board by contacting the membership, development, retention, and education (MDRE) chair at mdre@iicirclek.org. She would love to help you build your club and educate your members.

Have a great summer, and as always, I am just a text, email, or call away!
Brooke

One Members Journey with Cancer
Many of you have probably met Rachel Lipman, a member from DePaul University, if you have ever attended a district event. Rachel has been a great asset to this district and her home club. Recently, Rachel was diagnosed with cancer. Her journey is going to be a very expensive one. If you or your club would like to make any donation towards her fight, you can do so by visiting http://www.gofundme.com/w3tesk.

CKIx
CKIx is fast approaching! If anyone has missed the deadline to register, but still wants to go, please let Governor Brooke know ASAP. Our district has one spot open in the hotel rooms and would love to fill it! The hotel cost is $220 and the cost for the convention is $225 since the one spot open is taking over the registration of someone who registered at the early price.

Live to Serve, Love to Serve
Hello Mighty I-I District

My name is Hei chan, and I go by Hailee. I’m a sophomore studying biology at the university of Illinois. I will be the secretary for 2015-2016. I am currently studying abroad at the university of Melbourne, and I’ll be coming back to the states in mid July. I grew up in Hong Kong and moved to Chicago when I was 12. I love nature, food, dogs, and movies. I am thinking of going into optometry but I’m not entirely sure. I look forward to meeting you in future events.

Sincerely,
Hailee
Greetings Mighty I-I!

I hope you all are having a wonderful summer! It was great seeing some of you at the President’s Retreat this past May. Presidents, representatives, and chairpersons were able to learn more about CKI and their positions as well as be a part of the new President’s Council! Just to recap, the LTG system has been replaced with the President’s Council. Club Presidents or a representative from a club in good standing will be able to vote during district board meetings and are required to attend these meetings. Clubs that are inactive/suspended or not present will be represented at these meetings by me, the Council of Representatives Executive.

Besides being the voice for voiceless clubs, I will be working closely with the New Club Building and Reactivation (NCBR) Chair, Ryan Siddall to help get inactive/suspended clubs back on their feet and charter new clubs. We are currently working with the following institutions: Loyola University, Columbia University, Southern Illinois University Carbondale, Lake Forest College, Bradley University, Wilbur Wright College, Dominican University, and Harper College.

Yours in service,
Paul Nagtalon

A message from your 2015-2016 Council of Representatives Executive Continued...

Working to get clubs at:

Loyola University
Columbia University
Southern Illinois University
Carbondale
Lake Forest College
Bradley University
Wilbur Wright College
Dominican University
Harper College

If you know anyone that is/will be attending any of these universities that is interested in joining CKI or even anyone that is attending an institution that has no CKI club, please contact me! I will work with you to get a CKI club up and running at your institution.
Hello Illinois-Eastern Iowa Circle K Members,

My name is Kristin John, and I am the 2015-2016 I-I Key Club District Governor. I will be a senior at Hinsdale Central High School, and this is my fourth year in Key Club. My favorite part about being in the Kiwanis Family is that I have family wherever I go! I just traveled to Burlington, Vermont; and it was definitely reassuring to see the Kiwanis logo posted on the town's welcome sign. With our family being so large (and international), I am able to meet so many different kinds of people who all love service as much as I do. I cannot wait to continue my service in the wonderful K family.

Yours in Service and Friendship,

Kristin John

I plan to continue my journey with Kiwanis by joining Circle K in college next year! I hope Circle K in your respective colleges is going well, and I know that you all are making a great impact in your communities. Thank you for allowing me to say a few words, and please let me know if Key Club can help Circle K in any way whatsoever!
Hello Mighty I-I District!

If this is your first time reading the NOISE, I am Erin DeWitt the District Secretary. I publish these mailings in order for our clubs to be knowledgeable about what is happening in our District and our home clubs. You do not need to hold any position to be able to send a submission all you need is something to share and my email address!

I am very excited to get this CKI year off to a good start! Another one of my jobs as secretary is to collect and record the club monthly report forms. These forms are what your home secretary fills out every month to record what’s happening at your schools. I am going to ask for your help with this, all I need you guys to do is let your secretary know what service hours you are completing in and outside of CKI, it all counts! Let me know if you have any questions.

Email: secretary@iicirclek.org
Phone/Text: 815-508-6797

Service in the Summer

Ever wonder what you could do this summer to help CKI? Wonder no more! You can hold a car wash in your neighborhood to raise money for spastics or Eliminate. You can contact your friends from school and have everyone send in letters to veterans, thanking them for all they do for us. The possibilities are endless. Just get out there, don’t let the summer heat stop your heart from serving!
Your 2015-2016 I-I District Board:

Governor: Brooke Crawford
   Email: governor@iicirclek.org

Secretary: Erin DeWitt
   Email: secretary@iicirclek.org

Treasurer: Laura Brady
   Email: treasurer@iicirclek.org

C.O.R.E: Paul Nagtalon
   Email: presidentschair@iicirclek.org
In case you do not know who the Kiwanis Family Relations chair is yet, her name is Hannah Dohm. She is majoring in Exercise Science with minors in Organizational Leadership and Management with an endorsement in Honors II at St. Ambrose University in Davenport, IA, where she plans to graduate in December 2015. This is Hannah’s seventh year of involvement with the Kiwanis Family.

Hannah was the District Treasurer during the 2014-2015 term. As Kiwanis Family Relations Chair, she hopes to help bridge the gaps between Circle K, Kiwanis, Key Club, and the other branches of the Kiwanis Family. It is her hopes that they can all know who each other are in their respective areas and beyond. It is important that we are all working together, so Hannah plans to do her best to get that communication channel open and challenge the Kiwanis Family in the Illinois-Eastern Iowa District to do so this year!

If you ever need anything, please do not hesitate to contact her at dohmhannahe@sau.edu for anything K-Fam related. She would love to hear from you!
